

## ECONOMY SAHARA OR TABLE SHEET

Medline's QuickSuite® OR Table Kits contain an assortment of disposable components used before a procedure to set-up the OR Table and after the procedure to rapidly clear it for the next case.

Economy Sahara Sheet is one of the components which helps you conquer some of your largest OR challenges by helping you:

- Boost efficiency
- Promote safety
- Cost effective

### KEY FEATURES

- Core polymer technology wicks moisture away, maintaining skin integrity
- One size for OR table use: 102x229cm
- Quilted, smooth surface
- Disposable design creates low risk for harbouring bacteria
- Sealed edges help avoid linting
- Standard PE film backing is ideal for surgical procedures that require mobility on the OR table
