

Accutouch Vinyl
Examination Gloves

ACCUtouch[®]

- Powder free
- Non-sterile
- Synthetic vinyl
- Patient examination gloves

Medline vinyl synthetic gloves all-around performance to fit a variety of needs

Clear vinyl gloves are an economical solution for barrier protection. They are a great choice for minimal risk procedures and daily tasks requiring frequent exam glove changes.

Accutouch® Synthetic Exam Gloves: A cost-effective alternative that's perfect for general patient care. Accutouch is latex free and powder free, made with 1st-generation vinyl technology.
