

**EVERYTHING
WITHIN REACH.**

Patient KareBag®

Keep Personal Belongings Organised at the Bedside.

CARE AND CONVENIENCE ARE IN THE BAG.

Keep a patient's comfort items right at his or her bedside without adding clutter. Simply attach KareBag to a patient's bed, walker or wheelchair to create a neater environment with everything safely within reach.

- » Discreetly identify patients who are at risk of falling with the bag's yellow colour.
- » Improve the patient's experience.
- » Eliminate the need for patients to overreach, helping reduce the risk of falls.
- » Help minimise lost personal items, like glasses, dentures and hearing aids.
