

Surgical Scrub Brushes

Medline offers a portfolio of high-quality surgical scrub brushes for optimal and secure surgical hand preparation.

Our scrub brushes help reduce the risk of irritation or damaging the skin, by way of soft bristles. Medline offers dry sterile brushes and impregnated brushes, which evenly dispense the antiseptic solution.

Our portfolio of scrub brushes offers:

- Easy-to-open packaging for wet or dry hands
- Dry sterile or wet brushes impregnated with chlorhexidine gluconate (CHG)
- Easy-to-use wall-mountable dispensers.
