

Signature Latex Micro

Sterile latex powder-free surgical gloves

- Natural rubber latex formulation
 - **Caution:** Safe use of these gloves by or on latex-sensitised individuals has not been established
 - **Caution:** This product contains natural rubber latex, which may cause allergic reactions, including anaphylactic responses
- Powder-free feature helps reduce powder-related skin irritation and post-operative complications associated with granulomas
- Exclusive Medline SH8 glove mould with an independent thumb design allows for an anatomical fit and more natural movement in the fingers, thumbs and palms
- Thinner than Signature Latex Essential surgical gloves for enhanced tactile sensitivity
- Excellent choice as outer gloves when double-gloving

Specifications

- Freedom from holes, per EN455-1: acceptable quality level (AQL) of 0.65
- Synthetic polymer coating
- Former (mould) design: anatomical
- Cuff design: beaded, tapered and textured to help reduce roll down
- Finger tip thickness: 0.20 mm
- Glove length (per EN 455-2, size 7.5): 286 mm
- Colour: Light brown
- Texture: smooth
