MEDICAL PRODUCTS

SorbaView® Ultimate

Window Dressing

**Designed
for use on
central lines**

Benefits for caregivers, hospitals and patients

- Stays securely in place for up to 7 days to meet hospital protocol for central lines
- Allows vapours to escape through the film window so the dressing 'breathes' like skin
- Absorbent pad wicks away excess moisture
- Stays securely in place
- Non-toxic, non-sensitising, non-irritating and does not contain natural rubber latex, increasing patient comfort
- Available in individual sterile packages, or in custom procedure trays

SV41AFXT
(dressing with adhesive-free zone and tape strip)

This SorbaView Ultimate Dressing is designed especially for central lines and includes the proven features you've grown to trust in all the Ultimate Dressings.

Also available with an adhesive-free zone to accommodate antimicrobial disks
