

SKIN HEALTH SOLUTION

SUREPREP® NO STING Liquid Skin Protectant

Product overview

Sureprep No Sting from Medline is an alcohol-free polymer solution which dries quickly to form a thin protective membrane over the skin. The flexible membrane protects intact or damaged skin from irritation and damage caused by friction, repeated application of adhesive products, and contact with various bodily fluids including urine, faecal matter and digestive juices. Once dried the membrane provides a semi-transparent, waterproof protective barrier.

Item details

Sureprep Product Description	Order quantity	Item number	PIPP/FP10 Code	NHSSC Code
Sureprep No-Sting 1ml Wipes	50 per box	MSC1505	397-5117	ELY564
Sureprep No-Sting 1ml Wand	25 per box	MSC1510	389-9168	ELY557
Sureprep No-Sting 3ml Wand	25 per box	MSC1513	389-9176	ELY558
Sureprep No-Sting 28ml Spray	1 each or 12 per box	MSC1528	389-9150	ELY559

Storage and Shelf Life

Store product at room temperature.
See packaging for expiry.
