

ESG product insight

At Medline, we recognise the need to deliver high-quality products at great value, backed by strong Environmental, Social and Governance (ESG) credentials. This ESG product insight provides an example of how we support making healthcare more sustainable.

Aquapak – The benefits of going ‘large’

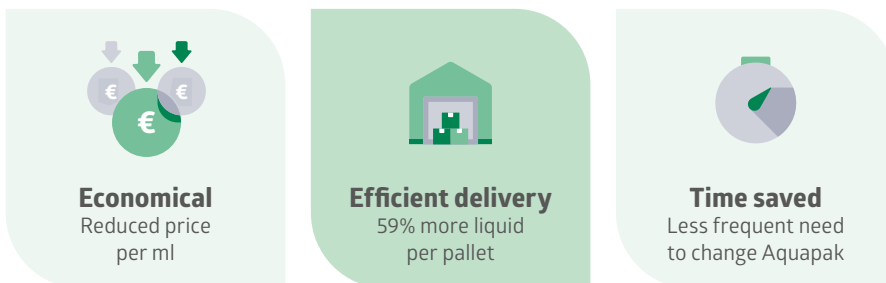

Utilised in the correct setting, our 650ml Aquapak offers the potential to improve healthcare efficiency, be more economical, and reduce healthcare’s negative environmental impact.¹

Below are some of the potential benefits that a move to a larger volume could help you achieve:

15% Less:

More:

¹compared to Aquapak bottle 340ml (without adaptor) Item code: H00601CE.

²emissions related to waste & virgin plastic material
