

Gloving solutions to help with self-care

Keeping you
safe every
minute of
every day

#BeKind

A nitrile glove
for every scenario

#BeKind
to your skin,
the environment
and our workers.

Your skin

Medline's skin-friendly ranges include accelerator-free and oatmeal-coated gloves to protect and preserve your hands.

The environment

We've optimised packaging to minimise waste while offsetting our carbon footprint with our 'One Container, One Tree' initiative.

Our workers

Working in partnership with our manufacturers, we ensure workers enjoy fair and decent working conditions that are compliant with labour standards and are rigorously monitored via independent audits.

Oatmeal-coated | Restore® Sense

Moisturises the hand and helps relieve symptoms of irritant contact dermatitis

Accelerator-free | SensiCare® Free

100% free of accelerators to prevent the risk of allergic contact dermatitis

6 Newton | MediGuard Special Nitrile

Everyday protection that exceeds industry acceptable quality level (AQL) standards

Extended cuff | SensiCare Pro

Specially designed extended cuff for extra protection in high-risk situations

Sterile nitrile | Medline Sterile Nitrile

Sterile with textured tips make these ideal for minor non-invasive procedures

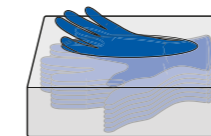

Innovative packaging technology

MicroStop™ film

Flat-layer packing

Colour-coded sizing

Waste reduction
