

# **Nurse-Led Critical Care Solutions**

**At Medline, we  
work with you to  
implement small  
changes that can  
help:**

- **Improve efficacy**
- **Cut unnecessary risk**
- **Unlock more time for care**

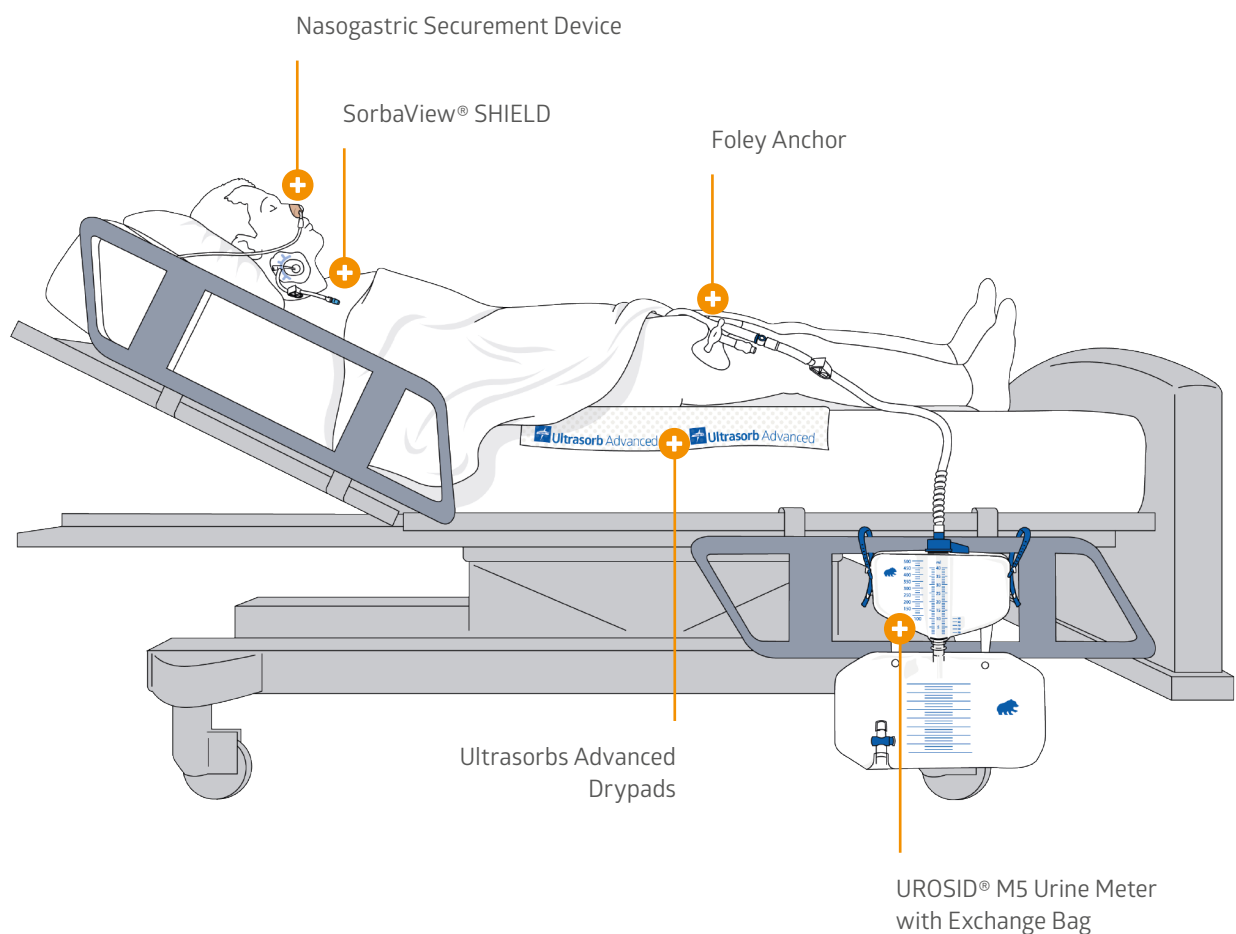

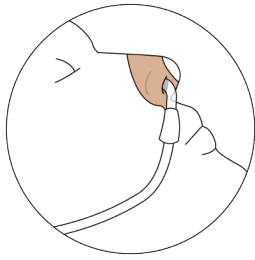

**#TimeforCare**

# Nurse-Led Critical Care Solutions

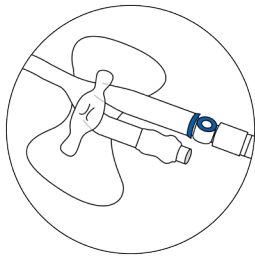

Each solution in our range is designed around the needs of critical care nursing teams and their patients. Both evaluation and implementation come with comprehensive training and education from our product specialists and clinical support teams—combined with dedicated account management and customer service support.
